## **The Four Winds**

I was in the Prayer Furnace [in Winnipeg], which, as you know, is the 24-7 house of prayer that has been running continuously 8 years now, and God spoke to me and said, "It's time for the release of the Winds of the Spirit", and that's Ezekiel 37.

As we know, God speaks to Ezekiel and asks "Can these bones live?" then says, "Prophecy to the bones" and the bones came together, but there was no breath in the body, there was no life in the body. And God said to Ezekiel: "Prophecy to the 4 winds, prophecy to the breath of God."

So I asked the Lord, "what's the first wind?" I felt he said "Prophecy to the breath of God to release the wind of the Spirit of prayer into the nation". And that's what I did as we had transitioned into a corporate prayer time.

So I asked the Lord then, "what's the second wind?" I felt the Lord said "Prophecy to the breath of God to release the wind of the spirit of worship."

Afterwards as we considered what God was saying I realised that prayer and worship exalt the Lord, so I prophesied to the breath to release the wind of the Spirit of worship.

And then I inquired of the Lord, "what's the third wind?" I heard Him say, "Prophecy to the breath of God to release the wind of the Spirit of unity". Reflecting afterwards, I realised that prayer and worship, exalting the Lord, bring people together in unity like nothing else. And I prophesied to the breath of God to release the wind of the Spirit of unity.

So I asked the Lord "what's the 4th wind?" And the Lord wouldn't tell me.

Reflecting on this I feel if he had told me it would be a definitive word stating this is what the 4 winds are and it would present people with a box, and the Lord desires this to remain open ended.
