## **A Marriage is Coming**

A marriage is coming, a marriage is coming, a marriage is coming into Canada. And in this case, the bride and the groom are England and France. And the bride and groom are not going to have a divorce but the bride and groom are going to be married.

And the Lord will take the redemptive gifts of the French mystics of old and the prophetic anointing that was on the Huguenots. And He is going to wed it with the regal understanding and the teacher anointing upon the English. And the word and the spirit shall be wedded together.

And I had one vision before I came here. And the prairie grass fires are going to burn again.

There was an outpouring of the spirit. There were some twins that the anointing fell on - it was a parable and we didn't know it. And I am giving you an after the fact interpretation of what God birthed somewhere, not far away from here. Somewhere not far away from here the Holy Spirit fell on some twins. And I am here to tell you that God is going to fall upon the twins of the English and French. The English and the French inheritance.

And they shall not repel, but there shall be a union. There shall be a joining of the redemptive giftings of the English and French. And it shall be mingled and brought together in this nation. There is going to be something different is going to happen and the spirit of adoption shall come upon the nation. And there is going to be a birthing that is going to happen in the church and the offspring that is going to come is going to carry the mystical and the teaching, the school of the word and the school of the spirit brought together to bring about a new apostolic era. A new apostolic opportunity because we have the privilege of writing history before the throne of the Almighty.
