## **Arise Canada**

I feel the Lord saying it's time to step out of the caves of insecurity Canada. Come out of the cave with your prophetic calling, and don't see yourself any longer as a little brother. Arise Canada, with the Joseph anointing, for the sake of this nation, America. Take your place. As a nation called for the healing of the nations.

I acknowledge the anointing on Canada, for the nations, God. Now strengthen the hands of these intercessors Lord, make them a covenant people, in Jesus' name.
