

Paul Yonggi Cho

Chosen for End Times

When I came to Canada, the Holy Spirit spoke in my heart, 'Son, you have come to the place which I chose. This country is the country I chose to fill the gap'.

(Evangel Tabernacle, Kelowna, BC - 1975)

"Being a Canadian is now a welcome hallmark throughout the whole world. You have the welcome open door like the Philadelphia church in Revelation. You have the finances, well-trained personnel, and a good church. God calls you to rise up to meet this challenge before Christ comes. A clear-cut clarion trumpet sound is coming to Canada. Rise up, Canada!"

"God wants your young men and women to rise up and give their lives as living sacrifices. God needs your money, your businesses, your homes, your lives to be dedicated to Him God is depending upon you. I know that you will do it."

Sackville, Nova Scotia - 1984

At a church growth seminar, Dr. Yonggi Cho reiterated the earlier prophecy, and adding to it: "Five years ago I visited Canada and traveled from Montreal to Vancouver by car. I was preaching from town to town, and while I was speaking I felt somewhat depressed. The Canadian church seemed so small."

"But wherever I went, the Holy spirit spoke in my heart that God was going to raise up tremendous churches in Canada and that Canada would be used as a missionary sending country, and that Canada would open the way for Jesus Christ to return to this earth. "

"I was afraid to confess that, but when I was praying, the Spirit of the Lord would impress my heart to say it. I was afraid because I already thought that America was far greater than Canada. If ever God would use a country. He would use America instead of Canada But again and again God spoke to my heart that He was going to use Canada. So finally in Toronto I prophesied as the Holy Spirit anointed me. "I really believe that God is going to bless Canada and the Canadian church is going to rise up once again and go to the four corners of the world and bring the gospel of Jesus Christ to pave the way for His second coming.

But for those who are willing to pay the price. I will amaze them with a new thing which I will start in this nation. Because I am calling the whole nation to repent, recognizing their responsibility towards root issues. Which I will prepare and cause the events that will take place. This will be a testing, for all the leaders of churches all over the world. Some of these leaders will quit, and try to compromise. And I will bless those who are willing to stand in the gap.
