## **Friend of Israel**

“It seems like when God sends me in, He sends me in at a critical juncture of a nation. He brings me in at a time – wherever it is – when the nation is getting ready to shift. And I feel this strongly right now, that in this time of shaking, a lot of things are going to shake, a lot of things are going to just begin to rock and roll. Upheavals are coming, but it’s Canada’s time to begin to change the face of the earth. And you know, you have about 3 years before the next elections and so it’s a time to secure your territories, it’s a time to secure your borders, and what the Lord will have you do. So let me give you a fresh word for Canada as well.”

“For the Lord would say to you Canada, I’m going to bring you into a season where you will be a mediator for My glory. For I’m going to give the anointing, the ambassador anointing, ambassadorial anointing, to this nation,” says the Lord, “to go and sit down and make peace. For I will give you an anointing to be a peacemaker in the nations of the earth,” says the Lord. The Lord says, I’m going to even use you in some very dramatic, radical ways to intervene between Israel and some of the neighbouring countries.” God says, “I appointed you as a friend of Israel but as one can speak to other nations now is your time when I will cause you to rise up in diplomacy,” says the Lord.

And the Lord says, “Not only that, there’s a new relationship with China I’m going to give you. And God says, “this is going to be for My purpose. It’s going to affect the ‘Back to Jerusalem’ movement, the missions movement, that I’m going to do where I’m going to have people move from China all the way through Central Asia to Jerusalem. “

God says, “Get ready! There is a missions movement getting ready to pour forth from Canada from the North to the South, the East to the West. It is the time! He shall have dominion from sea to sea!” says the Lord. “I am getting ready to sweep this nation with a mighty move of the wind of the Holy Spirit,” says God, “that is going to begin to blow. I’m going to breathe upon my people.

Vancouver – some have called it Hong-couver- is going to begin to experience... I’m going to shake it. There’s going to be some shaking,” says God, “but I’m going to awaken my Asian people,” says God.

“Even across this nation and there will be a great move. You will see that even among the Buddhists that are here, even among the Sikhs that are here.”

The Lord says, "I'm going to not only affect the Asians that are like from China, Hong Kong and so forth, that kind of background, I'm going to touch the Koreans, but the Sikhs are going to begin to have visitations from the Holy Spirit. I am coming to begin to do a movement that is going to affect all of Asia, from Canada," says the Lord.
