## **Glowing Hearts**

On April 17–18 while ministering in Victoria, Canada, God spoke to me about something new coming to Canada. The day before I left for this trip, I was praying and the presence of God was intense. I had an experience in which God spoke several things to me over a three day period.

O Canada! With glowing hearts we see thee rise, the True North strong and free!

Your intercession has not gone unnoticed. God is preparing a special visitation on May 20, 2009 in Toronto. This will be the start of a major shift in Canada that will change the spiritual atmosphere. God will begin to give prophets in Canada strategies that will unlock blessing and start revival. Businessmen and women and government officials will begin to come to Jesus in an increasing measure. Intercession has played a big role in this shift.

God said that He is raising many people in Canada from the dead (spiritually) who have lost their vision and some who have lost their ministries. New fire, hope, and direction is coming as God said, "I WILL do this for them!" Ministers, leaders, musicians, artists, intercessors, and businesspeople are about to rise to a new level. Ministries from Canada will play a role to rekindle a fire for revival all over the earth. They will help restart forgotten moves of God in the UK that extend through Africa.

O Canada, God is making you a True North to many.
