Miracles in Windsor

And the Lord would say, "There is an anointing in Windsor for miracles. Also I am going to pour out my Spirit on that city in the realm of the miraculous. In fact the Lord is showing me that it is going to be such an outpouring that it is going to remain, and the Lord says, like you see those pilgrimage places where people go to Europe for healing.

And the Lord would say over Windsor, "I am going to make it a pilgrimage place. There are going to be people from all over the world", says the Lord, because the outpouring of the Spirit, the outpouring of the Spirit is going to come in such a way: I am talking about creative miracles: people that have no toes will grow toes; people with no ears will grow ears and the Lord says, "I the Creator God want to manifest in this generation. I am coming once again to reveal Myself as a Creator", says God the Lord. You have prepared a place for me there. I am coming to visit and remain, says the Lord.
