Nova Scotia

I am going to begin to turn Canada. For you even cried out on behalf of your nation. And the Lord would say, "I am even going to begin to work a miracle at the top of the head of Canada. For the Lord said, "Have I not declared that I shall catch Canada up in My fire. They said, even Nova Scotia. I am getting ready to move in unparalleled dimensions and there are even connections that God is going to establish you; with the province of Nova Scotia.
