Puritan Prophecy

“Around 1776 this prophecy was given by the Puritan Reformers, when the British Empire Loyalists turned north to settle in Canada in order to remain under British rule.

When zealous Americans sought to persecute them because of this decision, the Spirit of the Lord spoke through their prophets saying, "Do not hinder these people. Let them move to Canada. Do not seek to incorporate the land of Canada into America. I am in the independence of America from Britain, and will mightily use this country. But Canada has been reserved by me for the last days for a special work.."
