Saskatchewan

For the Lord says, "I am going to completely reform the government of Saskatchewan. I am going to put in a Premier that has a Joseph anointing, for there will be great wealth in that province. I am going to release this wealth and I will make Saskatchewan the head and not the tail."

And the Lord says, "I am going to begin to release not only schools of the prophets and worship schools, but I am going to open up treasures of darkness from the earth." Even as I prophesied over Alberta in the oil and gas, I prophesy that minerals, gold, oil and gas, particularly in the northern part of this province, there is going to come wealth. And the Lord says, "I am going to raise up some of the wealthiest people in all of Canada from this province," says the Lord.

So the Lord says, "I love Saskatchewan!!"

The Lord shows me that there has been a lot of prayer, a lot of intercession, that they're on elf the gold mines, one of the treasures for the nation is Saskatchewan! O, I'm seeing resorts being built there; I am seeing God opening up even tourist spots. The Lord says, "I'm going to revamp the whole place!"

And the Lord says, "I am going to release wealth and it also will be in harvest, for not only is there going to be a harvest of souls, but I promise," the Lord says, "that as the curse is broken off this land, I am going to bring twice the harvest - the farms will produce, the ranches will produce." And God says, "look and see what I will do, because I am going to turn the curse into a blessing! Says God.

But there will be revival in Saskatchewan; there will be a great and mighty moving of the Spirit, and miracles, and signs, and wonders!
