Throne Room Vision

I found myself in a vision in the throne room. It was so holy and filled with Justice. Jesus was seated on the throne as the King of Kings... as head over all governments (Isaiah 9:7).

I then found myself in the Canadian Parliament Building. I was in a room filled with people and thrones were set up on one side. I was in the room by up in the air facing those on the thrones, (I believe this speaks concerning the position of the prophetic voice of the Lord's church in Canada standing above the natural). I decreed with authority the following words (very strongly and very clearly): "Do not tamper with the law of God in this land. Do not violate His holy purposes, and woe to those of you who do, for you will be brought down in one day. Even as Haman was brought down and was hurled out of his place so also shall you be. A man of justice, a man of truth will be set in your place."

"Then the Lord will set the key of the house of David on his shoulder. When he opens, no one will shut; when he shuts, no one will open. The Lord will drive him like a peg into a firm place, and he will become a throne of glory to his father's house." Isaiah 22: 22-23
