## **Women of Canada**

Father we thank you this day, where there is a shifting in the heavens, concerning women in Canada. And Lord, we do prophesy the shift in the name of Jesus. We prophesy a paradigm shift where women will be released to stand in every place in the pulpit, no glass ceiling.

Father, we declare in the name of Jesus, that the old wine will not be drunk but there will be a new wine anointing, and the Lord said, 'Can't you hear the sound of the marching feet of my women across this nation, says the Lord. For I am raising up young and old, those who were told when they were young women: you cannot preach, I am going to bring a second chance in your life. It is not too late for you says the Lord, and the young women the Lord says, I'm going to raise up those who are branded by passion, young women who are saying, 'I will go anywhere', 'I will do anything'.

I would say there's going to be a new missionary movement arising out of Canada. I'm going to send many, many young women to the mission field when the doors crack open to the Middle East the women will be first to go. I'm going to send them as first fruits to Iran, Iraq. I'm going to pull down the Taliban in Afghanistan. I'm going to do a mighty work says the Lord and so the Lord says, 'Prepare, prepare, prepare, study, learn, give, get ready to do whatever you have to do.

The Lord says, those situations in your life would seem like impossible mountains that say to you, "I will never be able to go'. Maybe the Lord says that's your financial situation, maybe it's your marriage situation. Maybe it's the current responsibilities that you have, but I would say to you, there are those that it is time for you to go, but there are weights around your feet. I am going to undo those weights. And I am going to set you free, and the Lord says it can happen in a moment in a day, I can do what no man can do.

The Lord says, if I can make a nation in a day, I can change a heart in a day. I can change a heart in a twinkling of an eye, so the Lord says, do not be discouraged and do not think that I cannot answer your cries, for I am getting ready to do a new thing says God. I'm going to make a way in your wilderness. I'm putting streams in your desert.

I'm going to do amazing things through you, for I am looking for an army of Mary's who will say, 'Be it done unto me according to your word O God.' I am looking for an army of Ruth's.

I am looking for those, says the Lord who will be those with the next miracle anointing. I am looking for those who are hungry for the miraculous. I am looking for those who will pay the price, whatever the cost, says the Lord. I'm looking for Amy Carmichael's who will give

their life on the mission field. I'm looking for those, for I have places for many in My Kingdom, says the Lord. I have places in the nations for many women. I have places in this nation for many women, says the Lord. And the Lord says, Satan has built up barriers and I literally see barriers, and for some of you women it's like you're in a maze and you're trying to walk through these barriers to get to your calling. But it seems like everywhere you turn there is a wall, but the Lord says, 'Look up, look up!'

For you may be in a maze, but I am reaching down My hand to you and I'm going to lift you out of it, for a man's gift makes room for him and brings him before great men. And I can do amazing things for you, there is no door shut to me says God.

There is no door that if I go through first, you cannot go through second, says the Lord. Take your dreams off the shelf. Take those things even as a young girl, that the Lord spoke to you, and now you have thought well maybe it will just never happen, for I would say to you, I am getting ready to cause you to be a dreamer of dreams. I am causing you to have visions and I'm going to cause you to go forth, says the Lord, and so the Lord says, I want your feet to be part of the marching sound of the women of this nation. I would say, put your feet down on the soil of Canada and say, Canada shall be saved. Put your feet down and I will raise you up as evangelists. I will give you thousands of souls, if you cry out to Me for that says the Lord, and I will surely shake the heavens over Canada and release a great move of the Holy Spirit through My women, says the Lord.
