A Word For Canada

Psalm 72:8-9;12-15 He shall have dominion from sea to sea. From the river to the ends of the earth. Those who dwell in the wilderness will bow before Him and His enemies will lick the dust. And this is so powerful as you read this. He will deliver the needy when he cries, the poor also, him who has no helper. He will spare the poor and needy. This is all prophetic for Canada. He will save the souls of the needy. He will redeem their life from oppression and violence. And precious shall be their blood in His sight. And the verse 15, I want you to look at it - Prayer will also be made for him continually.

That's day and night. And daily He shall be praised. But the Holy Spirit is really speaking to me that there is a direct tie from here and also from Zechariah 9 where this is repeated to Daniel 7. He shall have dominion from sea to sea. You remember that we've been talking about dominion. And we've been talking about how that's not a bad word, but as an abused word it could be a bad word.

Canada is coming to a place of her anointing. And the Holy Spirit just began to show me that Canada is coming to a place of her own anointing, and that there is a shift taking place even now. That's why the Holy Spirit has had you in the book of Daniel-- in verse 7:25: "He shall persecute the saints and shall intend to change times and laws." The Lord showed me clearly that during WW II when the Jews came in the S.S. Louis to the shores of Canada-- you turned away your destiny for a generation and because of that a judgment came on Canada and in that time the giants increased in the land. Abortion came in; there is no longer prayer in schools everyday; bible reading, these things. How many of you as a young person had prayer and bible reading in school in Canada? OK. And so it is my understanding that in public school now they do not begin everyday with the Lord's prayer any more, that it is not that way. And I want to give you a warning.

I want to say it again. Listen to me. You should pray that prayer in Psalm 73. He shall preserve you, and your children. You need to be preserved from violence. I want to tell you something if you do not overthrow this and work to put prayer in schools you will have what we have had. The shooting outside of Calgary was only the beginning of sorrows. I pray that you hear this word, because we did some intercession even about this, I believe last year or the year before. And I feel I gave you a window of grace, but you have to understand that is not enough.

Every school in Canada needs to be covered in prayer.
Every school in Canada needs to be covered in intercession. Every Pastor at every church in every city needs to pray and have his intercessors pray everyday for the schools in their

particular city. Amen? You have got to raise up watchmen on the wall. Please heed me. I want to tell you that there are no boundaries to this thing. The Bible says believe the word of the Prophets and you shall prosper. Let me tell you something. . .

Prayer needs to be made both day and night. You need to stand up. And so the Lord wants to give you dominion from sea to sea. And not only that it says in verse 26, "The court shall be seated and they shall take away His dominion to consume and destroy forever. Then the Kingdom and the dominion and the greatness of the kingdoms under the whole earth shall be given to the people, the saints of the Most High. His Kingdom is an everlasting Kingdom and all dominion shall serve and obey Him." It says He shall have dominion from sea to sea and also to the ends of the earth. It also says that in Zechariah 9. Now what does that say? I believe the Holy Spirit has shown me several things. One is that I believe that you have come to Hebron in this nation. Hebron means "alliance or union." All right? This is, I believe represented the coming of Hebron was the first place that David ruled. But he didn't have Jerusalem yet. I believe you have reached a Hebron in this nation. Between the gathering and Brian what you did.

There is a "Hebron" that has been released. All Right? And so we see that there was a rag tag band of men that became mighty in God and they became fighters. All Right? There's several things represented by Hebron. One is in Hebron that Abram's name was changed to Abraham, father of nations. Genesis 17:5. And Sarah was called mother of nations. So what are you modeling here? You have come, and I believe what you did in this past year or so, maybe you didn't know what you were doing, but God has changed the leaders in this nation from Abrams to Abraham's, from Sarai to Sarah's, and...

God is going to break barrenness of this nation.

God has released a fathering and a mothering anointing that is going to break barrenness off this nation and you are going to begin to see great fruit and great harvest. Amen? And you also know if you study it that-- Hebron was the place that Abraham actually purchased. And this is a sign of covenant of God. You see if you go back in the history of Canada you see there was a people that made a covenant with God for this nation. Amen? But what happened, was when you didn't go in, when you needed to go in, and take your destiny, which was actually to heal nations and shield the Jews, and protect the Jews when they came to your shores, what happened from that time, because of what I believe was fear and many other things. We see that you didn't go on in your destiny and you can be likened to this, because Hebron was a place where the twelve spies came. And they cut the cluster of grapes in Hebron. And so Caleb came out and said [to] Joshua, "We're more than able to take this land." And so the Lord shows me that there are those who have for many years believed that this land could be taken. They were the Caleb's waiting for this time to say give me this mountain. This is your hour. The Lord also showed me this there are prayers of your forefathers and mothers that God is getting ready to answer.

Justice and righteousness re-established in the land.

He is going to answer through you to re-establish justice and righteousness in this land. That there are those who have said that scripture, that He shall have dominion from sea to sea. Those who gave that to this nation as a scripture for this nation. They not only gave it but they prayed it and believed it. And there is a time when we are going to mix together the anointing of the generations.

And God is saying, "Do I find a generation with faith that is saying, 'Let's go in and take this Promised Land.'" I believe you have come to Hebron, but it's time to go to Jerusalem. And you can see this Jerusalem in two ways. One, is that there is a physical Jerusalem, which is a governmental seat, and then you can see where Daniel 7 comes into play, that when you get the government, and the Spirit-filled prime Minister, that I have prophesied. When that happens in this nation you will have your Jerusalem. Amen? God wants to do that for you, but you're going to have to fight for it, because there are mean spirits in this land that want to stop you in Hebron. Amen? Are you getting this? So in this land it is much harder now than it would have been before, because there's a spirit of Diversity and all these things have come in. And you know the Holy Spirit's been saying it's about your mind. Isn't it? The pluralistic thinking has to go.

Lord, what do you want sung, in worship, over this land? And the thinking of your forefathers and foremothers: you're going to have to come to the place where we're going to say that was God's will for this nation. We don't care who says we're intolerant. We don't care what they say. We are going to the head-- the King of kings shall have dominion from sea to sea. Hallelujah. And the Lord showed me a major key to this is going to be worship. See, Caleb was a Kenesite. He wasn't of the tribe of Judah, but he came with Judah. All right? And he got the anointing of the tribe of Judah, because he married a woman from the tribe of Judah. The tribe of Judah according to Psalm 60:7 was the law giver tribe. Judah shall be the lawgiver. All right? So therefore you will release the law giving anointing through Judah in this land. Amen? It's not just any worship, listen to me. It's not just any worship. It's not enough to worship. You have to worship specifically. You have to get the mind of the Lord. What do you want sung over this land? What voice should be heard over the land?

What will break open the heavens? What do you want to do and do that thing! Amen? Just like you pray specifically, you must praise specifically.

Then... You will split open the heavens. Because then you will split open the heavens. Amen? So this is something God showed us as a strategy. So God knows what He is up to and He's trying to mix this anointing here in Canada. Why do you think you have machines? Why do you think you have this incredible worship coming out of Canada?

Rise to a new place, you've come to Hebron. The Lord wants you to rise to a new place. See you have come to Hebron. And now the Lord has showed me that you became fathers and mothers in the spirit and you took a hold of your destiny to go heal the nations. And that's why you are going to Israel, to Jerusalem.

To heal Isaac and Ishmael. Because you have come where you are, wearing the mantle, you are going to go to Israel. Canada, I prophesy to you. You have the anointing to break open this war. I tell you there will be a war in Israel. They are saying it's going to be from Psalms 83, but I want to tell you who can bring healing for this matter. It is Canada. And you must rise up Canada! And you must go! And you must fight and you must stand. And the Lord says I have been waiting for a nation, which would have the anointing to heal Isaac and Ishmael. I have been waiting for one who will stand to begin to break apart the strategies of the enemy. And the Lord says to you Canada, Will you take it? Will you take your name as a healer of nations and go into the stronghold of the enemy and begin to establish my Jerusalem? Will you do it? Will you heal your nation?

Will you put prayer back in school? Will you pray for the schools of Canada? Will you send worship teams across this land? From the North to the South to the East to the West, and so the Holy Spirit is showing you it's time for you to come up to a new place. I want to tell you one more thing its better to be persecuted for righteousness sake than for stupidity. And so the Lord began to show me something.

A lie that the New Testament office of prophet is less than the Old Testament. He said, "Cindy, you have believed a lie." I said, "What is that lie?" He said, "You have believed that the office of the prophet in the New Testament was a lesser gift than what I gave to the prophets in the Old Testament. So you cannot prophesy the greater things. I'm not talking about the simple gift of prophecy. The Lord said. "I don't give any lesser set of gifts. Now in the New Testament I gave the Holy Spirit. The Holy Spirit did not come ON the prophet --it was IN the prophet." The second thing was -- We have believed a lie that any prophet that prophesied erroneously should be stoned. In fact I worked that through with a theologian. I want to tell you something. They were to be stoned if they led people into idolatry, or worship of false God's. Why wasn't Nathan stoned when he went to David and said, "Do what ever is in your heart", and he had to turn around and come back and say, "I made a mistake essentially"? Why wasn't Jonah stoned? Are you listening to me?

I want to release a company of prophets. You're thinking about this aren't you? . . . But the Lord spoke to me and He said, "I want to release a company of prophets that will prophesy like they would in the Old Testament." The prophet knew what the king of Syria did in his bedroom. And I want to say to you, listen to me Canada.

You'll never do this if you don't step up to the plate and believe God for the greater things. God is going to hone the office of the prophet to such a degree that it will put the fear of the Lord in the hearts of the unbeliever. Listen. They're turning to tarot card readers. They're turning to those in divination, because they think they can tell them the truth. It's time for the Daniels to rise up for the courts of the king, its time for the Daniels to be connected to the Prime ministers. Its time God wants to take us to a whole new level in the Spirit. We want to reach the higher things. And so the Lord is showing me that as you go to Jerusalem that the Lord is going to tear down ancient strongholds.

Are you listening to me? This is not something to get in pride over, this is just something to say this is who we are as Canadians. We have this anointing. You see? And when you stand and rise up then the rest of us can rise up. And we can go in and take the land.

Amen? So the Lord says this is a new day for you. God is going to raise you up in ways that you cannot imagine. The Lord says to you I am going to send you in and you are going to have the heart of a giant killer. I am going to raise up the anointings of David to roll the reproach of the nations. I Samuel 17:26. Little David said, "isn't there any one to roll the reproach off of Israel?" The Lord says to you Canada, "I tried to connect you with the Jewish people when the S.S. Saint Louis came and your forbearers turned them away." But I would say that "there is a day to roll the reproach not only off this nation, you have begun, but you're going to pick up your mantle." And the Lord says the dominion I will give you to break the powers of division, to break the powers of brothers fighting brothers, the anointing of reconciliation, the ministry of reconciliation.

I am even now getting ready to release you to the ends of the earth. The Lord says I am getting ready to raise a nation of reconcilers. I am getting ready to send you to the ends of the earth. I will send you to the difficult places.

The Lord says you Canadian leaders will begin to be known as Norway has been known. But they will come here and they will sign peace agreements says the Lord.

I'm going to use you to bring a lasting peace. But the enemy is at your door and the enemy wants to bring violence in the land, the enemy wants to hurt your land and your children to such a degree that you will get your eyes off the mission that I have placed before you and you will be diverted for another generation.

So the Lord says, "Rise up and say to the enemy enough is enough! You no longer can have my nation! I have decided to be a warrior! I have decided to stand and fight. I have decided I am going to prophesy! I'm going to evangelize.

I'm going to teach. I'm going to come to my place of destiny and the Lord says you will go "from Hebron to Jerusalem." And I am going to put a reigning anointing upon the head and I am going to put an apostolic anointing on the head. And the Lord says you will see my anointing go to the ends of the earth," says the Lord.
